

# PORTTOBERFEST 2008

**This Saturday 11 October**

**Rex Smell Park Port Douglas**

This years **Port Douglas Beer Festival, *Porttoberfest 2008 Beers of the World***, is again being staged at the fabulous Rex Smeal Park, right alongside the Dickson Inlet shoreline, on Saturday October 11 between 3 – 9pm. Early comers on the day will receive free Corona sombreros and possible beers on the house.

**Fosters** the Beer giants are sponsoring the event and helping to show case as many 'Beers of the World' as possible with Corona being the major beer supplied. Each of the over 12 different beers available is representative of the tourist countries from where we draw our annual visitors.

The \$35 ticket fee includes 3 bands, 12 different imported beers, dancing girls, promo girls, spontaneous prizes, and being involved in the Oktoberfest experience.

You can sample beers ranging from, Corona, Budweiser, Stella, Asahi, Carlsberg, Kronenberg, Bintang, Steinlarger, and Peroni and of course the best beers from Australia. Beers prices are cheaper than in the pubs. Our wicked beer wenches will be walking around with buckets of 4 Coronas for \$20.

**Salsa Bar and Grill** are catering this year so if you get the 'munchies', there'll be plenty of real quality 'one hand' foods to satisfy your taste buds, ranging from traditional German, Indian and Australian foods.

The Cairns Municipal Brass band will be entertaining through the day with traditional **Oktoberfest 'Umpha'** music. Our dancing girls will be there to rev up the crowd with some spectacular moves. DJ Tropica will be playing dancing music from around the World and the main act will kick off at 7.30pm, with **Grand Theft Audio** rocking us into the night.

There is an attractive range of collectable tee shirts, Caps and Stubby coolers for souvenirs to celebrate what we know is going to be a mighty action-packed day.

Why not come in fancy dress. There's a fabulous prize for 'Best dressed' and since **Porttoberfest 2008** is celebrating '**Beers of the World**', the costumes will only be limited by your imagination! There will also be spontaneous prizes given throughout the festival for best and worst dancers!!

There will only be 100 tickets on the door at \$35, so get there early to make sure you don't miss out or pre-book them at the details below.
